Check out the full list here. Description: Twelve years ago you were born in a small town in the Tunod district. Today is your birthday and usually like other kids in town, you will get your first Pokemon. But if you are in a hurry to travel, you may be in danger. You should have better training before taking a trip to Tuno. News on TV speaks of a mysterious power that wants to disfigure the world of Pokemon. In addition, you will be surprised about the mysterious team around the ancient ruins. This is the original/first version of Pokemon Glazed, if you want to play an additional version (Pokemon Blazed Glazed), click here. This game is completed in beta 8. The ROM Hack version translated into Portuguese by Brazil is also completed, but in a very previous version, beta 5 with a translation only up to the seventh gym. If you want to play the original version, we specify to download the first download option 100% English, this is your choice! Espo Forest - THANK YOU... Darkwood Town and JUSTICE! Alpha Isle - NOT ALONE... Mistakes: Articuno, Dog Trio, Johto 7 gym, Illix Forest and more all have reports of events without causing when stepping into the area/at a certain place, which is also random, and they are still unchanged Many of can be corrected by allowing you to activate the event when talking to the family of NPC Timburr, Druddigon, Black/White Kyurem, Gen6 Snacks, Mega Pokemon and Pokemon Battle events exist in limbo slots between Celebi and Treecko, resulting in them being forced to have Unown crying and corrupt Pokemon records. There is also possibly a bulbar egg when breaded and very rarely turns into a bad EGG. The egg moves unanswered from the emerald and there for many Pokemon gets the strange things Invertor will re-spawn after it walks behind the screen in Chocco City Doctor Friendship can call your Pokemon buffer140 or something like that, or else its name Signs text boxes can change color.
